

End-of-Life Announcement for BusMod Pro II 12Gbs Error Injectors

March 31, 2016

With immediate effect, SerialTek is announcing an End-Of-Sale (EOS) date of March 31, 2016 for the products listed below.

- BusMod Pro II 12Gbs Error Injectors

Customers that are considering purchase of any of these affected products are asked to immediately contact their SerialTek's sale representative or SerialTek corporate for further guidance. Keep in mind also that this action does NOT affect the Micro BusMod 6 Gbs error injectors. Those products are completely unaffected and continue to be available.

Per our standard End-Of-Life policy, the affected products will be supported for 3 years after the EOS date or until March 31, 2019. The table below describes and summarizes the end-of-sales and end-of-support milestones for the affected products.

Model Number	Series	End of Sale	End of Support	Suggested Alternative(s)
P2J-m2x12SA	BusMod Pro II 12Gbs Error Injectors	March 31, 2016	March 31, 2019	None if a 12 Gbs Error Injector is required.
P2J-m4x12SA		March 31, 2016	March 31, 2019
